

## **SPONSOR A HOMELESS PARROT**

Do you feel a connection to a parrot at CPR but can't adopt right now? Then please consider sponsoring a CPR parrot. As the sponsor of a homeless parrot, you will directly support your bird by helping to defray some of the costs of caring for him/her, including medical care, providing a nutritious diet, a safe and stimulating environment, and toys and accessories. Plus, a portion of your donation will also help support the CPR adoption program. Choose any bird available for adoption, including special needs birds like Captain Jack, Carpe, Kahlua or Poe, or choose Bosley, our educational ambassador who works to raise awareness for the plight of homeless companion parrots.

Your donation is 100% tax deductible, as permitted by law. You will receive a personalized Certificate of Appreciation, with a photo of your bird, and a tax deduction donation letter.
