Companion Parrots Re-homed
Giving parrots a fresh start

SPONSOR A SPECIAL PARROT

All of the parrots at CPR are waiting to find new, loving homes, but some have been waiting longer than others. The birds in our Sponsor program require extra financial resources due to long term residence or medical needs. If you can't adopt, but feel a connection to a special bird, or if you're looking for a unique gift, a memorial for a loved one or want to help CPR financially, then please consider sponsoring one of these special parrots. By becoming a sponsor, you can help defray the cost of caring for a special bird and directly help the parrot you choose.

Choose the bird you want to sponsor
